

A STRONG INTERNATIONAL COMMUNITY CONNECTING 600+ LABEL INDUSTRY PLAYERS SINCE 1958

Mix of all sized label printers to machine manufacturers to material suppliers

Easy relaxed networking is fun at the annual European Label Forum whether you have spent a life time in print or have just joined the industry and want to learn more!

-  Connect easily and discuss opportunities and challenges in working groups
-  Celebrate label printing with our annual label competition
-  Your fast pass to the label industry network (via our online directory)

GET EASY ACCESS TO OUR KNOWLEDGE HUB (PRINTED, DIGITAL OR RECORDED)
WWW.FINAT.COM

-  Keep track of trends and market developments: 4x per year market report/labelstock statistics
-  30 globally recognized test methods (used to evaluate label stock and serve as basis for producing specifications)
-  Biennial seminar on technical and sustainability topics, regular webinars

Information on active projects on industry level such as Carbon footprint, life cycle analysis, etc.

A united platform that helps you excel in your daily business! A priceless industry network!
