CONVINCING REASONS TO BE A MEMBER OF FINAT

NETWORKING & LEARNING

Attend industry events, such as the European Label Forum and the Technical Seminar, at a reduced member fee. Have all young professionals join the Young Professionals Network and follow technology webinars regularly for free! This industry network is priceless!

KNOWLEDGE

Receive the exclusive RADAR market reports twice a year and benefit from all the available knowledge in the online FINAT library, such as the Technical Handbook including 30 test methods and the Educational Handbook.

VISIBILITY

Get free online exposure in the frequently visited member search directory or advertise at preferential rates in the B2B communications of FINAT. Enter and win the annual label competition and be recognized as a label award winner.

INDUSTRY SOLUTIONS

Access the Sustainability portal with up-to-date information on release liner recycling, LCA, best practices, and more...! Benefit from continued monitoring and reporting of European directives related to the label industry.

IT SAVES YOUR COMPANY A LOT OF MONEY!

Save up more than 50% yearly by becoming a FINAT member. For example, a label printer with a turnover of € 10 mln per annum would pay € 1.250 membership fee and € 1.325 to participate in certain programmes, leading to a total investment of € 2.575 per annum. The same benefits would cost a non-member € 4.800 per annum. Smaller companies get an even bigger return on investment!
